National Assembly Commemorates 56th Anniversary

- **Friday, 9th October 2026** - Today, the National Assembly of Belize proudly commemorates the 56th Anniversary of the inauguration of its building in Belmopan. On **9th October 1970**, the National Assembly building was formally inaugurated in Belize's new capital with a Joint Sitting of the House of Representatives and the Senate, marking an important milestone in the nation's parliamentary history.

For more than five decades, the National Assembly has remained at the heart of Belize's parliamentary democracy, providing the forum through which the people's representatives debate legislation, scrutinise matters of national importance and contribute to the governance and development of our country.

As we mark this anniversary, the National Assembly honours the generations of parliamentarians, public officers and Belizeans who have contributed to the growth of our democratic institutions.

Happy 56th Anniversary to the National Assembly of Belize.
